

Ministry: Audio Video Ministry

Why do We Exist?

The Mission of the Mt. Calvary Missionary Baptist Church Audio Video Ministry exists to provide and assist the church with the visual presentation of a Christian experience for disciples within the sanctuary and online for a spiritual relationship with God to grow membership with the Gospel and one another. Audio Video purpose to 1) Provide audio and video equipment to all the ministries and outside organizations presenting information to the public. 2) Provide and display audio and video tools to enhance and reach all types of people worldwide using social media platforms. 3) Organize and conduct training for ministries, the congregation, and the members of the community using audio-video equipment. 4) Tend to the ministries, congregation, and community needs.

How Do We Serve?

Some services and activities we provide 1. Provide audio and video through Livestream, 2. Provide Easyworship software to display sermons information through social media. 3. Provide the rental use of audio-video equipment for weddings, funerals, and other church events. 4. Maintain and update all audio-video equipment for quality church service. 5. Collaborate with other ministries. Educate the ministries and congregation on the use of technology. 6. Provide video announcements. 7. Keep track of the New Member Intake form to provide new members to the church for future contact.

Ministry Members

It consists of diverse volunteers across the spectrum (College professors, students, retired personnel, and professional personnel, to name a few).
