

MCMBC Widows and Widowers Ministry

Why do we Exist?

Widows and Widowers Ministry is a Biblical Christ Centered Ministry dedicated to igniting transformation by affirming faith, inspiring hope and equipping each person into healthy relationships and growth in Christ. To offer care and compassion to widows and widowers that goes beyond the funeral service and to provide ongoing care and support. James 1:27.

Purpose: Our purpose is to help women and men in the midst of difficult circumstances and loss.

Why do we Serve?

1. Visitation
2. Consistent Contact
3. Provide meals and other offers of practical help.
4. To be at the funeral service at the church and repast after the graveside service
5. The best way to help a widow or widower is to get to know them and minister the "one another's" of the new testament to them. Include them as part of our family. Don't assume anything we will check with them first. Will they be alone on holidays. We will ask them if they need help around the house. We will help them with maintenance tasks that may overwhelm them.
