

Men's Ministry

Why do we Exist

The purpose of the Mt. Calvary Men's Ministry is to bring men into a relationship with Jesus Christ and to make disciples of the men we engage. It is our purpose to equip men to know God greater than they ever have before and to produce strong men of honorable character whose lifestyle identifies them as followers of Christ.

How do we Serve?

We seek to accomplish this by:

A. Building Men Spiritually (internally strong)- meeting monthly to discuss issues related to men with biblical principles. Encourage men to attend Sunday school, Sunday service, bible study and prayer meetings.

B. Building Men Socially (externally focused)- Provide opportunities for men to fellowship outside of the church, encourage and engage in community events and social activities.

C. Building Young Men-This year we are launching a Mentoring Program for young men ages 12-17.

D. Building Accountability- The Ministry is divided into sub-groups in order to facilitate relationships that encourage accountability. Men in these groups contact one another to check-in and communicate with their group members.
